State A #2	30-025-08467	Plugged 12/28/08, Loc. Not Released	

OCD rules require wells that have been inactive for more than one year plus ninety days to be plugged and abandoned, placed on approved temporary abandonment status, or returned to active status (Rule 19.14.25.8 NMAC). Please return the well(s) to compliance as soon as possible. If you are taking action to return the well(s) to compliance in the immediate future, please contact Daniel Sanchez, OCD Compliance & Enforcement Manager, at 505-476-3493 or Daniel.sanchez@state.nm.us. You may be able to avoid enforcement action.

If the OCD does not hear from you by November 20, 2012, the OCD will file applications for hearing to seek plugging orders for state or fee wells out of compliance with Rule 19.15.25.8

NMAC that have been inactive for excessive periods of time. The OCD will seek an order requiring the operator to plug the well by a certain date, and authorizing the OCD to plug the well and the operator will forfeit any available financial assurance if the operator fails to comply.

If the well is not covered by a financial assurance or if the financial assurance is not sufficient to cover the OCD's plugging costs, the OCD may bring suit against the operator for indemnification. See NMSA 1978, Section 70-2-14(E).

In addition, pertaining to the Plugged and Abandoned well, the operator shall as soon as practical, but no later than one year after the completion of plugging operations, the operator shall: Level the location, remove deadmen and other junk, and take other measures necessary or required by the division to restore the location to a safe and clean condition.

Per Rule 19.15.25.D.

Please contact me if you have any questions concerning this issue.

Sincerely,

OIL CONSERVATION DIVISION
