Re: Application for Permit to Drill
Maduro Unit #6
N/2 Section 32, T19S-R33E
Lea County, New Mexico

Dear Ms. Mull:

In connection with our Application for Permit to Drill the above captioned well, please be advised that we have conducted a search and have found no Potash Mining Leases in the N/2 of Section 32.

If you find everything to be in order, please process our Application for Permit Drill the above captioned well at your earliest convenience. Should you have any questions, please call me at (432) 688-9419, or on my cell phone at (432) 638-6810.

Very truly yours,
