13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work and approximate duration thereof. If the proposal deepens directionally or recompletes horizontally, give subsurface location and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all required operations including reclamation, have been completed, and the operator has determined that the site is ready for final inspection)

Devon Energy Production Company, LP has commingled production from the Mesa Verde - Delaware (Oil 96191) and the Mesa Verde - Bone Spring (Oil 96229) pools. Administrative Order # DHC-3300

6/2/05 MIRU pulling unit. Unhung well and unseated pump. POOH.
