**Re:** RESCIND Re-Entrée Approval for Stevens A-35 No. 02.

---

In regards to the Re-Entrée Approval dated 4/1/03 on the Stevens A-35 No. 02, Lea County, New Mexico, I am rescinding the approval as Re-Entrees require a standard Application for Permit to Drill (APD) and cannot be approved via Sundry Notice Form 3160-5.

Therefore the Sundry approved on April 01, 2003 to re-enter the Stevens A 35 No. 01 is not approved and an APD must be filed for approval. This sundry is rescinded and no approval periods stated on the sundry are valid.
