13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Attached is the chart for mechanical integrity test for this well. The pressure held at 500 psi. Please, accept this test as compliance for five years - Temporarily Abandoned Well. Test was witnessed by BLM as noted on chart.

TA status extensions are allowed for a period of up to one year with proper justification. This TA extension is approved for 90 days until Dec 22, 2005. Utilize wellbore or submit plans to P & A for approval to this office.
