Form C-144 CLE2 July 21, 200

Department HOBBS OCDOil Conservation Division 1220 South St. Francis Dr.

For closed-loop systems that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure, submit to the appropriate NMOCD District Office.

District LV 1220 S. St. Francis Dr., Santa Fe, NM 87505 JAN 3 0 2013 Santa Fe, NM 87505

Closed-Loop System Permit or Closure Plan Application

eel tanks or haul-off bins, and propose to implement waste removal for closure) Permit Closure Type of action: Instructions: Please submit one application (Form C-144 CLEZ) per individual closed-loop system request. For any application request other than for a closed-loop system that only use above ground steel tanks or haul-off bins and propose to implement waste removal for closure, please submit a Form C-144. Please be advised that approval of this request does not relieve the operator of liability should operations result in pollution of surface water, ground water or the environment. Nor does approval relieve the operator of its responsibility to comply with any other applicable governmental authority's rules, regulations or ordinances.
