Legacy Reserves Operating, LP

Rainier State #1 Unit B, Sec. 28, T10S, R37E Lea County, New Mexico API#: 30-025-34125

## **Equipment and Design:**

Legacy Reserves Operating, LP will use a closed loop system in this workover. The following equipment will be on location:

1) 500 bbl steel tank.

**Operation and Maintenance:** 

During each day of operation, the rigs crew will inspect and closely monitor the fluids contained within the steel tank and visually monitor any release that may occur. Should a release or spill occur, the NMOCD District 1 office Hobbs (575-393-6161) will be notified, as required in NMOCD's rule 19.15.29.8.

## **Closure:**

After the workover is completed, fluids and solids will be hauled and disposed at an NMOCD – approved and permitted disposal location.
