Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips requests to defer interim reclamation through December 31, 2014 for Ruby Federal 21 so the well pad can be used for the Ruby Federal 58. The ability to use a portion of the Ruby Federal 21 pad to drill the Ruby Federal 58 well will minimize surface disturbance and preserve sand dune habitat.
