13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15:7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

This well failed its annual pressure testing, so the decision was made to P&A the well. Apache has an OCD approved P&A procedure; however, we are still waiting on AFE and Partner approval to proceed with the plugging. Our violation notice gives us until 6/13/2014 to bring well into compliance. Apache is requesting an extension on that deadline to allow us to get the necessary approvals and plug the well.

extend 90 days - 9/13/2014
