Re: Lockhart B12 #14 FLOWline

Dear Mr. Swain,

A records search was conducted on May 15, 2014 at the Bureau of Land Management Carlsbad Field Office for a flowline which lies in T21S R37E Section 12. During the records search it was noted that the proposed project lies entirely within the boundaries of previous surveys, NMCRIS #'s 7766, 8931, 9062, 9522, 121727, 128808, 128810, and 128811. In consultation with BLM archaeologist Stacy Galassini on May 15, 2014, it was determined that no further survey is required. Apache Corporation's project is recommended for approval as currently staked without further archaeological survey.
