Dear Sir;

For over 30 years I, Guy Williams have had the opportunity to put a sub-meter on a power line located on the north side of my property in the NE/4 of section 31-T18S-R39E Lea Co. NM. and owned by various oil companies (Laneco, ~~Continental~~ Enco, Capataz, Arena, etc.) and now owned by LINN Energy. With the plugging of EHSAU #910A, LINN no longer needs this power source and I, Guy Williams, agree to take possession of this power line according to our agreement on 11-3-14. I will assume full responsibility for this line and will utilize it for the use of my farming operation as I have done in the past. Thank you very much for your help in this matter.

Yours truly,
Guy Williams
