RE: Chambers Federal Wells, Roosevelt County, NM

L

and a set period of

Attn: Dave Spencer

Dear Dave:

Per our conversation, at the present time, BCM will not have a plugging crew available for your P&A project in Roosevelt County, New Mexico until mid-December. If any changes in logistics should occur that we can get a crew available before, or if it is going to take longer than mid-December, I will contact you.

Thank you for your patience.

Yours Truly,

Ben Montgomery President
