Hello Laura,

Sorry about asking you about this one, but you are the only one I have an email address for. If you can relay this on to Blain Lewis or take care of my request, I would appreciate it.

Blain sent to the BLM the Subsequent report and Completion report on changing the perf and production to the Atoka formation.

With this paperwork the OCD also needs the C-102 and C-104 for the Atoka Formation.

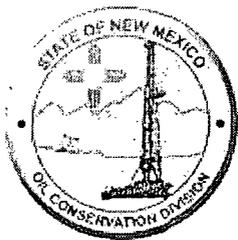

Please send me these form. You can scan and email them to me.

If you need more info, please let me know.

Thanks Donna
