Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

AR Oil & Gas Corp proposes to plug and Adandon the well according to BLM rules and regulations  
AR is on a waiting list with Halliburton and BJ services to supply cmt to plug the well  
ie service companies are not allowing any cmt to plug wells at this time due to the cmt supply shortage for the current drilling operations in the Permian  
sin.  
hen the cmt is available then MAR will notify BLM office to plug the well.

Sundry is Denied. A written letter with  
original signature from the plugging contractor  
with a scheduled date for plugging may be  
considered by this agency.
