3. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Repairs to pumping unit have been completed. Well was placed back in production on May 13, 2003. Gas volumes were too small for Duke Energy, who removed meter run. Contract negotiations are underway with Frontier for purchase of casing head gas. A sundry notice will be sent whenever a gas connection can be made, indicating the purchaser and date of connect.
