13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be file within 30 days following completion of the involved operations. If the operation results in a mutiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This request was submitted to the NMOCD on 8-16-05 (prior to expiration of current authority).

They called on 12-28-05 and instructed us to resubmit to BLM.

Respectfully request extension of TA status. Due to recently increased EOR activity in the area, we wish to preserve this wellbore for future enhanced oil recovery operations. Current TA approval expires 9-22-05
