Yates Petroleum Corporation submitted a C-103 dated 2/2/2006 changing the name of this well from the Messina BHN State Com. #1 to the new name of Messina BHN Com. #1. At that time a mistaken State Lease number of VA-1372 was put on it as well as marking it as a State lease and it should have been marked Fee, not State. Please make the change.

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines ☐, a general permit ☒ or an (attached) alternative OCD-approved plan ☐.
