In response to the "Notice of Written Order" dated 3-24-03 the operator submits:

The landowner on the C. C. Fristoe A Fed, Well #8, Ms. Rebecca Doom, requested that after this well was plugged and abandoned that the only action to be taken on the location was to re-seed with a seed mixture of her specification - which was performed by Chuza Operating. As per the landowner's request, the utility poles were left in place and the electricity was disconnected and the highway. The landowner requested that no further restoration be performed for the permanent abandonment of this location. Landowner requested that the access road be left "as is", therefore Chuza complied with her requests.
