13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

ConocoPhillips Company respectfully submits this notice of final abandonment.

This well was abandoned in May 2003. Reclamation activity was completed April 2010. Equipment was removed.

A recent inspection of this well location showed that the short-term reclamation objectives for final abandonment have been met. This location is ready for final abandonment.

Thank you for your consideration of this notice.

14. I hereby certify that the foregoing is true and correct.
