13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomplate in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

The attached written order requested:

- Gas chart etc. - This is not available as this lease does not have any gas meters, nor is gas produced, flared or vented.
- Oil Run Tickets, Purchaser Strmts. and pumper logs are attached. There were no seal records for the required time frame.
- There was no gas flared, vented or lost on lease
- There is no H<sub>2</sub>S present though I have included our safety plan
- A site facility diagram is attached.
- Our pumper has been notified to contact the required person prior to the next oil sales
