#### Gentlemen:

Pursuant to your letter of January 15, 2015, this office concurs with your determination that the SEMU #175 completion is not capable of producing unitized substances in paying quantities.

This well's Blinebry and Tubb formation completion is therefore not entitled to be part of a Participating Area and production from this formation should be reported on a lease basis. Also, a Sundry shall be submitted to drop "Unit" from well name.

Such a request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management, P.O. Box 27115, Santa Fe, New Mexico 87502-0115. Such request shall not result in a suspension of the order unless the reviewing official so determines.
