Re: 2016 UIC Test results for EOR Operating Company (257420)

Attached please find copies of all Branden Head Test Reports and MIT charts prepared for 2016.

The MSU #317 well (30-041-10195) was plugged in 2012 and thus a test was not performed. I've attached a copy of the associated sundry filed for your convenience.

Regards,
