Subject: Chaveroo Field Pole Removal Request

Antonio and Felicia,

Please accept this email as Ridgeway Arizona Oil Corp.'s request to remove the 25 secondary power poles listed in the attached document. These well locations are associated with terminated federal oil and gas leases. The well locations either have already been plugged or will be plugged in the near term. This federal acreage is no longer available for active oil and gas development and thus re-development at these locations is not possible.

Please allow this list to supersede any previous requests Ridgeway Arizona Oil Corp. has made in the Chaveroo Field.

Feel free to call me with any questions or additional information you might need.
