**TO PRODUCERS OPERATING LEASES IN LEA COUNTY, NEW MEXICO
THAT ARE CONNECTED TO THE DENTON GAS PLANT**

RE: Force Majeure Event

Please be advised that we will experience a force majeure situation affecting your Company's leases that are connected to our Denton Gas Plant's gas gathering system in Lea County, New Mexico.

From July 19 to August 5, you will likely experience a temporary interruption of takes of gas produced from your leases in the above referenced area. During this event, our residue transporter, Kinder Morgan (El Paso Natural Gas) will be performing integrity tests on their pipeline that is downstream of our plant. Depending on the results of these tests, this event could be prolonged.

Please notify the appropriate personnel within your company of this force majeure event. If need be, please feel free to contact our plant at 575-396-5385 to inquire about the status of this event.

We appreciate your cooperation and attention to this important matter.

Yours very truly,

Rick P. Watkins
Director, Gas Supply
