13 Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof.

If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond no. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have completed, and the Operator has determined that the site is ready for final inspection.)

Yates Petroleum Corp. has received notification that on or about April 1, 2006, the oil transporter will be disconnecting the Lusk AHB Federal #1, #2, #3, #5 wells battery from their gathering pipeline and at that time the oil will be trucked.
