The current T/A Extension will expire on September 27, 2016. Nearburg Producing Company is requesting a one (1) year extension. Per my conversation with Maxey on August 31, 2016, Nearburg had previously filed a NOI to plug this well. Upon further research of the recent drilling in the area, Nearburg needs more time to monitor the new wells. Nearburg will schedule a MIT and notify the Hobbs OCD.
