Subject: Meter Removal for CML Exploration, LLC
Attachments: C-145 Change of Operator.pdf

Good Morning Trace,

CML Exploration, LLC is in the process of permanently abandoning two wells in the Hobbs/Buckeye, NM area and we're needing to have the gas meters removed from the location before the OCD will give final approval of the P&A. We do hereby authorize you to permanently discontinue service to these meters and remove them from their respective locations. Listed below are the two meters that need to be removed.

General Montcalm 25 State – meter# 721478-00
Mohican 28 State – meter# 718446-00

I was told by DCP that the operator for the General Montcalm 25 State is still listed as ConocoPhillips. I've attached to this email a copy of the C-145 (Change of Operator) that was approved July 2nd, 2014 for your records and to confirm our authority to discontinue service to this meter.

If there is anything else that needs to be addressed before we can remove these meters please contact me using the information below.

Thanks,
Jordan Owens
