13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has detennined that the site is ready for final inspection.)

Please be advised that Foundation Energy Management, LLC will assume operation for the above referenced well, effective September 1st, 2015. Bond coverage is provided by Foundation Energy Management, LLC's Nationwide Bond No. COB000356.

The former operator was Enervest.

Foundation Energy Management, LLC is responsible under the terms and conditions of the leases for the operations conducted on the leased lands or portion thereof.
