Stoltenberg #1 Re-Entry  
Sec 26 – T2S-R29E  
Roosevelt County, NM

Dear Mr. Brown,

Sovereign Eagle, LLC is submitting a C-103 for Final Abandonment of the referenced Stoltenberg #1. We cut the wellhead off and installed the dry hole marker on Tuesday, June 20, 2017. I have enclosed a photo of installing the dry hole marker and a photo of the dry hole marker with the Stoltenberg #2 in the background. The Stoltenberg #2 shares the location with the Stoltenberg #1 so we cannot reclaim the location now.

We would like for you to approve the Final Abandonment of the P&A'd well since we recently posted a \$12,290.00 Bond to provide financial assurance until the dry hole marker was installed and Final Abandonment approved. We have finally complied with that requirement and once Final Abandonment is approved we will request that the Bond be released.

Please let me know if you need any other information.

Sincerely yours,

Paul Ragsdale
