RE: Shut-Down Notice

Dear Producer:

Starting on **August 30th, 2017**, DCP will be making a tie-in for the Linam Ranch Bypass . This will help us to be able to re-route gas more effectively during our Linam Ranch Shutdown in September. DCP would like to have the gas shut-in by **3:00 pm MST on Tuesday August 29th, 2017**. The work will begin at 7:00 a.m. Wednesday, August 30th, 2017 and should be completed by 3:00 p.m.

Please refer to the attached meter list for meters that need to be shut-in.
Please coordinate with the respective field representative to turn gas in.

The DCP field personnel coordinating the curtailment are:

Raul Gibson (Linam Field Supervisor)
C: (432) 631-3369
Email: RGibson@dcpmidstream.com
