13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

ConocoPhillips Company respectfully submits this subsequent report of final reclamation.

Abandoned well location is latitude 32 48 20.59017 / longitude 103 47 03.81615.

Any excess caliche was removed, location was flipped, top soil spread, and re-contouring completed. Reclamation was finished 11/04/16.

Well will be in monitoring status.

Thank you for your time spent reviewing this report.
