13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Shut In
This is a request for an extension of the Temporary Abandoned status. Echo Production is in the process of selling this well and plans to transfer operatorship to another Operator (U.S. Energy Development Corp.). Echo Production expects to finalize this process within 90 days, at which point the new Operator will file an Intent to Plug and Abandon.

Shut In Status good for a 6 month period ending 7-25-18.
