Paul / Patricia,

I messed up our recently approved Condor APD names. When I copied the APD from one well to the next, I forgot some were STATE and Some were STATE COM.

Sorry about that. The APD attachments and C-102s are correct. The correct well names are:

Condor 32 State 603H, 710H, 711H, 712H, 740H

Condor 32 State Com 713H, 714H, 715H, 741H      *PROP-ID 320995*

Thanks,  
Stan
