Rubicon Oil and Gas, LLC respectively requests a 6-week extension to the original 5/18/2018 deadline for corrective action; the new deadline for corrective action being 6/29/2018. Rubicon has just received partner approval and is in the process of scheduling an approved plugging service to conduct the work. That service has a backlog as all the plugging services do. Rubicon estimates the P&A can be done prior to the modified deadline of 6/29/2018.
