13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

The attached document contains information for the Annual LDAR Summary Report required under 43 CFR 3179.305, for wells associated with the respective BLM office. This includes:

- ?The number of sites inspected;
- ?The total number of leaks identified, categorized by the type of component;
- ?The total number of leaks repaired; and
- ?The total number of leaks that were not repaired as of December 31, 2017 due to good cause, and an estimated date of repair for each leak.

14. I hereby certify that the foregoing is true and correct.
