Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Hunt Cimarron LP requestes a 90-day period to complete reclamation for the referenced well site as follows:

Any remaining pipe, equipment, and debris will be removed from the location
Caliche will be removed from the well pad and E-W access road down to native soil
Native soil that has been staged at the edge of the well pad will be utilized to re-contour the location to its original state
The well pad and E-W access road will be re-seeded with BLM-approved seed mixture for shallow sand areas
