OTHER: ☐

- ☒ All pits have been remediated in compliance with OCD rules and the terms of the Operator's pit permit and closure plan.
- ☒ Rat hole and cellar have been filled and leveled. Cathodic protection holes have been properly abandoned.
- ☒ A steel marker at least 4" in diameter and at least 4' above ground level has been set in concrete. It shows the

**OPERATOR NAME, LEASE NAME, WELL NUMBER, API NUMBER, QUARTER/QUARTER LOCATION OR UNIT LETTER, SECTION, TOWNSHIP, AND RANGE. ALL INFORMATION HAS BEEN WELDED OR PERMANENTLY STAMPED ON THE MARKER'S SURFACE.**

- ☒ The location has been leveled as nearly as possible to original ground contour and has been cleared of all junk, trash, flow lines and other production equipment.
  - ☒ Anchors, dead men, tie downs and risers have been cut off at least two feet below ground level.
  - ☒ If this is a one-well lease or last remaining well on lease, the battery and pit location(s) have been remediated in compliance with OCD rules and the terms of the Operator's pit permit and closure plan. All flow lines, production equipment and junk have been removed from lease and well location.
  - ☒ All metal bolts and other materials have been removed. Portable bases have been removed. (Poured onsite concrete bases do not have to be removed.)
  - ☒ All other environmental concerns have been addressed as per OCD rules.
  - ☒ Pipelines and flow lines have been abandoned in accordance with 19.15.35.10 NMAC. All fluids have been removed from non-retrieved flow lines and pipelines.
  - ☒ If this is a one-well lease or last remaining well on lease: all electrical service poles and lines have been removed from lease and well location, except for utility's distribution infrastructure.
- Power poles, concrete base, debris, and separator have been removed. DCP gas meter will be removed by DCP at a later date - please see the attached email. When all work has been completed, return this form to the appropriate District office to schedule an inspection.

**Subject:** RE: Gulf State #001 gas meter removal

Good Morning,

We have visited the site and I am currently scheduling the removal of the old meter tube and associated equipment.

Thanks  
Lynn

**Subject:** RE: Gulf State #001 gas meter removal

Hello! I was wondering on the status of this? Trying to make sure I keep track of it before the holiday season is over. Would it be possible for me to get a reply to this email stating DCP will remove the meter? That is all the NMOCD needs in order for us to close out this reclamation.

-Thank you!

**Subject:** Gulf State #001 gas meter removal

Hello!

This is Caitlin O'Hair from WPX Energy and we are working with the NMOCD to reclaim the Gulf State #001 (API 30-025-10327, location: 32.3967438,-103.1700668 NAD83) wellsite since the well has been plugged. There looks to be a gas meter onsite that is not in use, and we would like to request its removal so that we can fully reclaim the location.

Please let me know if this can be done.

-Thank you!
