Subject: [EXT] Intermediate casing depth change: Uncle Don 35 22 35 State 001 (API No. 30-025-45622); Lea County

Mr. Kautz,

Thank you for speaking with me this morning.

Our approved drilling permit provides an intermediate casing depth of 6,200 feet. However, we would like to deepen it to 6,350 feet. Per our conversation, we have approval to set intermediate surface casing at 6,350 feet in this well and do not need to Sundry this request. Will you please confirm?
