13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

EOG Resources, Inc. requests to sundry the original APD to add a field office (trailer house) and related equipment to sit at the northwest existing central tank battery pad. This field office will be utilized by our production foreman on a daily basis. No additional disturbance is needed for this field office. Field office is currently located at the Vaca Ridge 30 SWD #1 SWD but needs to be moved to fully reclaim the SWD pad.?
