13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

EOG Resources, Inc. requests to sundry the original APD to add two 40 foot long sea crates to the northwest existing central tank battery pad. These crates will be utilized for storage. No additional disturbance is needed for these tanks. Tanks were currently located at the Dragon 36 State Com SWD but need to be moved to fully reclaim the SWD pad

14. I hereby certify that the foregoing is true and correct.
