13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomple horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recomple in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

Devon Energy respectfully requests approval to build a temporary lease road for the the Jayhawk 7 Fed 10H & 13H well pad for drilling operations.

The temporary lease road will be bladed and constructed will caliche. Once drilling operations have commenced, the road will be reclaimed and restored to its original condition, and planted with appropriate grasses stated in the approved APD.

The road will be approximately 500 ft X 30 ft (0.344 acres)

The road will be constructed immediately after approval of this sundry.
