**Re: Notice of Violation
Cimarex Energy Company of Colorado**

Dear Mr. Sanchez,

Please see attached Notice of Violation letter concerning Cimarex Energy Company of Colorado (Cimarex). The Oil Conservation Division (OCD) has provided a notice of violation of the following provisions:

- Inactive wells rule
- Failure to report production

Currently, Cimarex has eight (8) inactive wells, thereby exceeding the minimum allowed. In order to return to compliance, Cimarex intends to plug and abandon two (2) of the wells within the next 30 days:

1. Bondurant Federal #12H 3002540182
2. Hudson 31 Federal #3H 3002530551

Intent to plug sundry notices have been submitted to the Bureau of Land Management (BLM) for approval. I anticipate approval within the next week. Cimarex will move forward with plugging the wells as soon as approved paperwork is received. Subsequent plugging operations sundries will be submitted as soon as operations are complete.

Cimarex is also reviewing five (5) additional wells for uphole potential or plug and abandonment:

1. Cooper 5 #9 3002535990
2. Eureka 36 State #1 3002533184
3. Laughlin #1 3002534975
4. Maduro Unit #8 3002538240
5. Williams 34 #5 3002535850

Regarding the missing production reports for the Red Hills Unit #1 well. I have reviewed the NMOCD electronic well file and the Cimarex Red Hills Unit #1 well records and I have found no information to indicate the well was completed as a dual completion in the Penn formation.

The following records indicate an intent to recomplete to the Penn:

- C101 approved 11/16/1990
 - Intent to Recomplete Penn
- C103 approved 07/15/1993
 - Change of plans - well was not completed as a dual in the Penn. Active Wolfcamp pool well.

I believe the 07/15/1993 sundry was an attempt to clean up the well record and remove the Penn as an active completion. No production has been attributed to the Penn as far back as 1994.

Please contact me at 432-620-1936 should you have additional questions or need additional information regarding this issue.

Sincerely,

Terri Stathem
