Gentlemen:

COG Operating LLC proposes to downhole commingle production from the Wildcat; Glorieta with existing downhole commingled production from the Justis: Blinbry-Tubb Drinkard (34220), per Division Order R-9745. The commingling will not reduce the value of the total remaining production.

The proposed intervals are as follows:

Wildcat, Glorieta	4902' – 4991'
Justis: Blinbry-Tubb Drinkard (34220)	5114' – 5325' – existing perfs

COG Operating LLC will test the zones and submit allocation request. Ownership in all zones is the same.

If you have any questions, please feel free to call me at 432-685-4340 or Greg Wilkes at 432-683-7443.

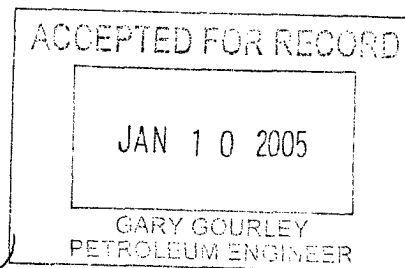

Thank you for your attention to this matter.

Sincerely,

COG Operating LLC
