Gentlemen:

We sent you a letter on May 23, 2006 telling you that the following well had expired because drilling had not commenced within one year of the approval date. We were mistaken, you still have until December 9, 2006 to drill the well, or you may send us a Sundry Notice asking to extend this approved Application For Permit To Drill for one year.

NM-106915 Proximity 30 Federal #2 330'/N & 330'/W Sec. 30, T.22S., R.32E.
APD approved 12/09/05

If you have any questions please contact Betty Hill at (505) 234-5937.

Sincerely,

/S/ Russell E. Sorensen
