REMARKS:

This form shall be filed in duplicate with the Oil Conservation Commission at Santa Fe, New Mexico, covering each unit from which production is to be transported. After said certificate has been approved by the Oil Conservation Commission, one copy returned to the producer, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operating ownership and each change in the transporter, except that in the case of a temporary change in the transporter involving less than the allowable production for one month the operator shall, in lieu of filing a new certificate, notify the Oil Conservation Commission at Santa Fe, New Mexico, and the transporter authorized by certificate on the with the Commission by letter of the

The undersigned certifies that the above rules and regulations of the Oil Conservation Commission have been complied with, except as noted above and that gathering agent is authorized to transport the percentage of oil produced from the above described property and that this authorization will be valid until further notice to the transporter named herein or until cancelled by the Oil Conservation Commission of New Mexico.
