Lea County, NM

Dear Mr. Williams:

Energen Resources Corporation requests permission to transport crude oil being produced by the subject lease and stored in test tanks. The Transporter will be BP Pipelines North America. There is currently approximately 1200 bbls on location.

Energen will be storing production in test tanks for approximately 3 months until a new battery can be constructed.

Should you have any questions, please contact me at (432) 684-3693.

Sincerely,
