Re: Cessna Federal Com No. 1  
990' FEL & ~~1050' FNL~~ 1800' FNL  
Section 8, T19S, R32E  
Lea County, New Mexico

Dear Bryan:

30-025-37854

We plan to complete this well in the Morrow which is sweet and we don't anticipate cutting any formations that contain H2S gas during the drilling of the above referenced well. Therefore, we do not believe that an H2S contingency plan is necessary.

If you have questions or need further information, please call.

Sincerely,

*Nancy T. Bratcher*
