13. Describe Proposed or completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompletable horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with the BLM/BIA.
Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

As requested, please accept this Sundry Notice as confirmation of the verbal approval received from Wesley Ingram as to the following:

Surface casing total depth is being changed from 1400 feet to 1110 feet. Permitted casing weight and cement volumes will not change.

Any questions, please contact Brennan Short, Drilling Engineer, at (918) 591-1621.
