Please, consider this our request that you approve our drilling permit for this well under the following conditions: Concho Oil & Gas Corp. will assume responsibility for the Union State, Well #1. The OCD currently shows the operator to be Unit Petroleum Company in Tulsa Oklahoma; however, the well has been abandoned. Concho obtained the lease at a State auction. Concho will contact Unit Petroleum and try to begin the process of filing a form C104A to change the operator to Concho. In any case, the Union State, Well #1 will not be produced by either operator under the current conditions.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
