13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work)\*

COG Operating LLC is requesting approval to turn the location with the pits to the east and the V door to the south. This is being done to avoid power lines in the area.

COG would also request this sundry serve as notification to start construction immediately.
